

# Commercial Service & Replacement Plan

Offered from Transworld in partnership with General Electric.

**If you have a GE appliance in need of service or repair:**

Go online to: <http://www.geappliances.com/ge/service-and-support/service.htm>

## Step 1

Select Appliance Type & Enter The Property's Zipcode.

## Step 2

Choose and/or describe the appliance issue.

## Step 3

Specify whether or not your appliance was purchased within that year:

### IF NO:

Diagnostic fee is applied

### IF YES:

Diagnostic fee is waived.

Model and Serial number will need to be provided to verify

## Step 4

Pick your service date and time

## Step 5

Enter your contact information and property address

## Step 6

Then schedule the appointment

**Or call your dedicated representative to submit this form on your behalf.**

On service date you can expect a General Electric certified trained technician with a truck full of GE replacement parts used in common repairs—usually fixing the issue in the same visit!

**If you have a GE appliance in need of replacement:**

- Call or email your dedicated sales representative to place the order.
- Sales support team will provide will provide freight quote for your confirmation, unless ordering 8 or more pieces.
- Once quote is confirmed, the Sales Representative will provide your tracking information.
